

Laptop Lockup[®] Storage Cabinets

LAPTOP LOCK-UP[®]
STORAGE SYSTEM

Maintenance Schedule and Warranties

Zero Maintenance

The Laptop Lockup[®] Series of Storage Cabinets requires **NO** scheduled maintenance. The cabinets were designed for military use and to be maintenance free for the life of the cabinet.

Warranties

The cabinets have a general warranty of 5 years on all metal cabinet components, including locks, drawer slides and wheels.

The patented Cat 6 coiled cords and patented coiled power cords also have a 5 year warranty. Cooling fans have a 60,000 hour (6.85 year) warranty from the fan manufacturer.

UPS has its manufacturer's warranty.

Ethernet switch warranty varies by its manufacturer.

TIA 568 Standards

All Static Safe[®] Products Company cabinets meet or exceed ANSI/TIA/EIA 568 Standards and comply with UTP and STP guidelines.

Please see the TIA 568 Standards and Compliance link on our home page for more information.
